A WINNING SELECTION OF FUN AND FABULOUS FURNITURE AND HOMEWARES

FAVOURITE THINGS

Hannah Turner's crested baby birds in teal (£42) are best purchased in pairs - how could you only have one on your windowsill?

Reiko Kaneko's playful Drip Tease and Lip Tease cups (£25.95) are crafted from gold and fine bone china, adding a twist to an everyday object.

Light any room with Zenza's Filigrain ball pendant in oxide (£115), which is baked in Egyptian sand as part of the finishing process.

The Clamp Table Light (£150), from designers Plant and Moss, reimagines the bright red clamp as a versatile lamp for the home and office.

BlueBellGray's Secret Garden cushions with pom-poms (£120) are hand-painted in the UK, and intended to be treasured and loved.

This fully upholstered Capsule Chair by Ziglam & Brook for Deadgood (£2,950) recycles fabric offcuts into a gorgeously textured collage.

Moooi's monochromatic Chess Table (£694), finished in lacquer and designed by all-female Swedish collective Front, is both fun and clever.

Gitta Gschwendtner's striking ceramic Stack Vase (£49) was commissioned by the British Council and is based on a stack of plastic plant pots.
